

Service & Maintenance DEPARTMENT

One place for all of your service needs

Doyle Construction's Service & Maintenance department handles the tasks that keep your properties functioning smoothly. We are dedicated to customer satisfaction and the timely completion of every project. No job is too big or too small for our experienced staff:

Electrical: Install, remove, relocate, repair, replace, clean or upgrade burned out or flickering lights, light fixtures, wall switches, outlets, doorbells, motion sensors and more. We're energy efficiency experts!

Plumbing: Unclog toilets, urinals, sinks, showers and floor drains. Repair, replace and install toilets, sinks, faucets, showerheads, water heaters (and Smitty pans), dishwashers and refrigerator icemakers to existing water and drain lines.

Trash Removal & Disposal: Pick up and haul to disposal site heavy trash or materials such as pallets, refrigerators, wood or paper waste and wet garbage.

Repair & Construction: Repair drywall; replace ceiling tiles, perform carpentry and painting; repair and maintain roofs and HVAC equipment. Hang white boards and pictures, move keyboard trays, install doorstops, hang doors, seismically restrain filing cabinets/bookshelves and more. Emergency 24-hour board-up service available.

Engineering: We can be your building engineer if you don't have one on staff, or we can supplement your existing engineering team.
